COURSE OUTLINE

[preliminary draft]

Readings (to be completed before arriving at the Summer Institute/National Academy):

The Declaration of Independence. [Please read this as if you have never read it before -- slowly, back and forth, sideways if possible. Try to make the text seem strange. Then read it as if you were its author, revising where you would. Read it again, as an editor. Change your roles with the text, thinking about what printed, published, archived texts allow you to do. But also, thinking about this text, as it permanently is, given what happens when you might try to change it.]

The "Preamble" of the United States Constitution. [Please read as you have never read it before.]

The Federalist, Nos. 1–2; 14–15; 37, 39. [Please read these as pairs, *very carefully*.]
